To Whom It May Concern:

Please see the following information below regarding Godfred Sabbih's 2022 internship with Merck.

Internship Site Location: 33 Avenue E Louis Pasteur Boston, MA 02115-5727

Internship Start / End Dates: May 31, 2022 – August 26, 2022

Project Mentor Contact Information: Jennifer Johnston/ Email:
JENNIFER.JOHNSTON@MERCK.COM/ Phone: (908) 740-3485

Intern Coordinator Contact Information: Brandi Jackson/brandi.jackson@merck.com / (704) 345-6317

Weekly Work Schedule: 38.75 hours / week

The intern will participate in molecular modeling and cheminformatics research, either in an independent project or as part of a drug discovery team. The intern will learn how to employ data, models, and methods to drive hypothesis-driven drug discovery and will be exposed to many areas of research relevant to the drug discovery and development process.

A handwritten signature in black ink that reads "Brandi Jackson". The signature is fluid and cursive, with a long horizontal line extending from the end.
